PROFESSIONAL SUMMARY

Detail-oriented **Data Analyst** and pre-final year AI & Data Science student with practical experience in SQL querying, Python data manipulation, and interactive Power BI dashboarding. Proven track record of transforming raw datasets into actionable business insights through EDA, statistical analysis, and ETL processes.

TECHNICAL SKILLS

Data Analysis & Visualization: Power BI, Tableau, Excel (Advanced Formulas, Pivot Tables), Matplotlib, Seaborn

Database & Querying: SQL (MySQL, PostgreSQL - CRUD Operations, Joins, Aggregations)

Programming & Libraries: Python, Pandas, NumPy, Scikit-Learn

Core Competencies: Exploratory Data Analysis (EDA), Data Cleaning, ETL Pipelines, KPI Reporting, Feature Engineering

WORK EXPERIENCE

Data Analyst Intern | **Codveda Technologies** **Dec 2025 – Jan 2026**

- Executed data extraction and cleaning routines using **SQL and Pandas**, reducing data inconsistencies across large datasets.
- Performed exploratory data analysis (EDA) to uncover key business trends and consumer purchasing patterns.
- Designed interactive dashboards to present key performance indicators (KPIs) to stakeholders.

Machine Learning Intern | **Gradtwin** **Jun 2026 – Jul 2026**

- Built predictive models using Python and Scikit-Learn to analyze trend patterns and forecast outcomes.
- Preprocessed structured data through feature engineering, missing value handling, and feature scaling.

KEY PROJECTS

Interactive Sales Revenue & KPI Analytics Dashboard *(Power BI, SQL, Excel)*

- Created end-to-end Power BI dashboards tracking monthly revenue, regional performance, and top product categories.
- Optimized SQL queries to extract and clean relational transaction data for automated dashboard refreshes.

SHE ALERT – Integrated Safety System *(Python, Flask, SQL)*

- Developed an integrated application backend using Flask and SQL for real-time location and alert tracking.

EDUCATION

B.Tech in Artificial Intelligence & Data Science | **Ramco Institute of Technology** **2024 – 2028 (Expected)**

Status: **Pre-Final Year Student** | Cumulative Grade Point Average (CGPA): **7.67** / **10**

AWARDS & ACHIEVEMENTS

- **2nd Prize Winner** – Aptitude & AI/Data Science Competition
